PART 2: Generate APA formatted references for each of the peer-reviewed journal articles linked below. You can also find the PDFs for these articles by going to Brightspace: Content→Week 4→APA Activity PDFs. You may also use PsycInfo as needed.

1. [Article 1](#)
2. [Article 2](#)

PART 3: Generate an APA formatted reference below for one of the articles you found for Activity 2 that was related to your topic (or an article you found while working on Step 1 of your proposal—aka assignment 1). Include the reference in APA format below.

PART 4: Briefly respond to the questions below.

1. How do you know that the article you cited in Part 3 above is peer reviewed, and in what journal is it published?
2. Is the article you cited in Part 3 empirical? How do you know? Click [here](#) to learn more about empirical articles if needed.
3. How would you cite the article using an in-text citation within an APA formatted paper? In other words, how would you cite the article using a parenthetical citation (e.g., Jones & Smith, 2001)?
